Good morning. Every day, millions of Americans put in long hours building businesses of their own. Their hard work strengthens the economy, creates most of the new jobs in America, and supplies the innovation that drives our future prosperity. As we mark National Small Business Week, our Nation honors the enterprise and hard work of small-business owners and employees.

Small businesses are a key to upward mobility, particularly for women and minorities. There are over 3 million minority-owned small businesses across America, and that number is rising.
